ASSIGNMENT
(NOT ACCOMPANYING APPLICATION)

WHEREAS, the undersigned, Stanley Falkow (hereinafter termed "Inventor"), a resident of Portola Valley, County of San Mateo, State of California, has invented certain new and useful improvements in **HAEMOPHILUS ADHERENCE AND PENETRATION PROTEIN** and has executed an application for a United States patent disclosing and identifying the invention on the 21st day of November, 1994; and having Serial No. 08/296,791 and filing date of August 25, 1994; and

WHEREAS, The Board of Trustees of the Leland Stanford Junior University (hereinafter termed "Assignee"), a corporation of the State of California, having a place of business at Stanford, State of California, is desirous of acquiring the entire right, title and interest in and to said application and the invention disclosed therein, and in and to all embodiments of the invention, heretofore conceived, made or discovered by said Inventor (all collectively hereinafter termed "said invention"), and in and to any and all patents, inventor's certificates and other forms of protection (hereinafter termed "patents") thereon granted in the United States and foreign countries.

NOW, THEREFORE, in consideration of good and valuable consideration acknowledged by said Inventor to have been received in full from said Assignee:

1. Said Inventor does hereby sell, assign, transfer and convey unto said Assignee, the entire right, title and interest (a) in and to said application and said invention; (b) in and to all rights to apply for foreign patents on said invention pursuant to the International Convention for the Protection of Industrial Property or otherwise; (c) in and to any and all applications filed and any and all patents granted on said invention in the United States or any foreign country, including each and every application filed and each and every patent granted on any application which is a division, substitution, or continuation of any of said applications; and (d) in and to each and every reissue or extensions of any of said patents.

2. Said Inventor hereby covenants and agrees to cooperate with said Assignee to enable said Assignee to enjoy to the fullest extent the right title and interest herein conveyed in the United States and foreign countries. Such cooperation by said Inventor shall include prompt production of pertinent facts and documents, giving of testimony, execution of petitions, oaths, specifications, declarations or other papers, and other assistance all to the extent deemed necessary or desirable by said Assignee (a) for perfecting in said Assignee the right, title and interest herein conveyed; (b) for prosecuting any of said applications; (c) for filing and prosecuting substitute, divisional, continuing or additional applications covering said invention; (d) for filing and prosecuting applications for reissuance of any said patents; (e) for interference or other priority proceedings involving said invention; and (f) for legal proceedings involving said invention and any applications therefor and any patents granted thereon, including without limitation

opposition proceedings, cancellation proceedings, priority contests, public use proceedings, infringement actions and court actions; provided, however, that the expense incurred by said Inventor in providing such cooperation shall be paid for by said Assignee.

3. The terms, covenants and conditions of this assignment shall inure to the benefit of said Assignee, its successors, assigns and other legal representatives, and shall be binding upon said Inventor, his heirs, legal representatives and assigns.

4. Said Inventor hereby warrants and represents that he has not entered and will not enter into any assignment, contract, or understanding in conflict herewith.

IN WITNESS WHEREOF, the said Inventor has executed and delivered this instrument to said Assignee this 21 day of November, 1994.

PATENT ASSIGNMENT

WHEREAS, I, Joseph W. St. Geme III of , 45 Berkshire Drive, St. Louis, Missouri, 63117, have co-invented *Haemophilus Adherence and Penetration Protein*, for which I have made an application for Letters Patent in the United States, having the Serial number 08/296,791 and the official filing date **August 25, 1994**, and

WHEREAS, Washington University, a corporation of the State of Missouri having its principal office and place of business at One Brookings Drive, St. Louis, Missouri, 63130, is desirous of acquiring the entire right, title, and interest in and to said inventions as disclosed in said application and in and to any Letters Patent or Patents, United States or foreign, to be obtained.

NOW THEREFORE, in consideration of the remuneration to be shared with the Inventor in accordance with the Washington University institutional policy on intellectual property in effect as of the date of this assignment and other good and valuable considerations, paid or to be paid, I, Joseph W. St. Geme III, have sold, assigned, and transferred and do hereby sell, assign, and transfer unto the said Washington University, its successors, legal representatives and assigns, my entire right, title, and interest in and to the above mentioned invention, application for Letters Patent, and any and all Letters Patent or Patents, including divisionals, continuations, continuations-in-part, reissues and extensions to be obtained therefore in the United States and all foreign countries.

AND for the same consideration, I hereby agree to and with Washington University, its successors, legal representatives and assigns, that, at the time of execution of this assignment, I am the lawful co-owner of the entire right, title, and interest in and to the said inventions and the application for Letters Patent above mentioned, and that I am unencumbered and have good and full right and lawful authority to sell and convey the same in the manner here set forth.

AND I further agree to cooperate with the Washington University, its successors, legal representatives, or assigns in the procurement, maintenance, enforcement and defense of any and all such Letters Patent as the University, its successors, legal representatives, or assigns may desire to apply for, but at the expense of the University, its successors, legal representatives, or assigns.

The Commissioner of Patents or other proper official is hereby authorized and requested to issue said Letters Patent to said Washington University in accordance with this assignment.

IN WITNESS WHEREOF, I have hereunto set my hand the 17th day of November, 1994.
